

Grants Committee Meeting

Minutes of February 17, 2017

The Grants Committee Meeting convened at *11:40 in Council Chambers, located in Borough Hall, 237 7th St., West Easton.

*The scheduled start time of 11:00 was delayed due to an extended Highways Committee Meeting occupying the chamber.

In attendance was Chairperson Matthew Dees, Committee member Dan DePaul, and Committee member Henry Nodoline. No residents were in attendance.

Business Discussed:

A review of possible grant sources was made, but due to time constraints of Dees and Nodoline having to depart at 12:00, attention was ultimately focused on the Community Development Block Grant (CDBG) Program.

Dan DePaul noted the CDBG Program could be used for sidewalk and curb repair that has been the topic at recent Council meetings.

Committee members reviewed the CDBG Program Eligible Activities information at hand.

DePaul and Dees agreed to travel the borough before the next Council meeting in order to develop a list of every sidewalk and curb that needs repair or replacement, and note areas that would be beneficial to have sidewalks installed, where none exist.

The complete list would be submitted for consideration by Council for the purpose of a “large project” CDBG Program application, to obtain monies for all locations on that list.

Meeting Adjourned at 12:00
